 we love to see what your children have been up to!

### From Mrs Busari

We sent out an email "Save the Date" last week for an information session for parents. We will be holding a parent information session on Tuesday 10<sup>th</sup> October about ways to support your child with their learning at home.

If your child is in Class 1, this is a great opportunity to hear about how the children are taught to read with phonics, and will give you a greater understanding of how to support children in the early stages of reading. If

your child is in Class 2 and 3, you will hear about how you can support your child with reading, spellings and times tables. If you have a child in each class, if you haven't heard about phonics teaching, go to that talk first and then we can catch you up with the other sessions after. They should last around 30 minutes. Children are welcome to come to the sessions too.

Over the last few weeks, our Class 3 children have been having a wonderful time taking part in the TRUST programme on the Courteenhall Estate. This is a five-week programme where the children have been every Thursday with two sessions left to come.

Whilst there the children learn skills and the importance of Trying, Resilience, Understanding and Empathy, Self-Regulation and Teamwork. A big well done to the children in Class 3, every week they have pushed themselves and are embracing all the activities and challenges that they meet.

I hope that you all have a lovely week in school.

With best wishes,

*Mrs Jude Busari*

Executive Head Teacher
