From Mrs Busari

Our teacher-run clubs start this week. You should have now had an email to confirm your child's club place, please take note for the finish times with the slightly earlier pick-up for the Wednesday clubs.

For those children going on the residential, you should now have had your forms to complete for medical information. These is also a kit list to help you start gathering things together that you will need. Please return the forms as soon as possible and if any medical information changes between now and then, please pop in and let us know.

Emails

We have been experiencing problems emailing some email addresses – we are confident this has now been resolved.

We have had information through for the Reception height and weight checks which will be happening on Thursday 14th February. The leaflets will be coming home about this. Please note there is an opt-out arrangement – please see highlighted section in your letter. Your child will be measured unless you follow the guidance for opting out of the programme.

With best wishes,

Mrs Jude Busari
