A parent's guide to spelling at Cosgrove Village Primary

Stage 5

At Cosgrove Village Primary School we aim to teach spelling in a variety of ways in which support all children to be able to spell accurately and with confidence when independently writing.

Your child will be given a new set of words to learn every Monday which will link closely with work carried out in the class that week. Please help your child to learn their spellings and understand how to use the words in a sentence.

5 creative ways to learn spellings with your child:

1. Scrabble spelling – find all the letter you need to spell your words and then mix them up in a bag. Time how long it takes to unscramble the letters to make your word.
2. Ransom note – Cut the letters you need to spell your words from a newspaper or magazine and glue them down to spell the words.
3. Word search – create your own word search using your spelling words. Use squared paper to help you.
4. Design a spelling game to play with your family at home.
5. ABC order – write your words out in alphabetical order then write them in reverse alphabetical order.

Programme overview for stage 5

Children consolidate the word level knowledge they learnt at stage 4 and use this alongside learning new letter patterns. They will learn these patterns:

Vowel suffixes: -cious, -tious, -cial, -tial, -ant, -ent, -ance, -ence, -able, -ible, -ably, -ilby, suffix changes to -fer.

Vowel sounds: ie, ei

Letter string: ough

Silent letters: b, c, g, k, h, n, t, u, w

Homophones: ce, se, ow, ou

Some of these spelling patterns will last over more than 1 week as they need to be studied in depth to understand the conventions and rules.

Encourage your child to use words containing these letter patterns in their everyday speech to increase their vocabulary skills.

As extra homework ask your child to write their spelling words into sentences to help them understand their meaning and be able to use them in their written work with confidence.
