From Mrs Busari

I hope you all had a lovely weekend. A big thank you to everyone who has returned the online questionnaire about remote learning which will help us to plan ahead in the event of a school closure. If you haven't yet completed yours, please do so as soon as possible.

During the summer term you may have noticed some work has gone on around school to restore and improve our facilities. The governors agreed to spend some of our capital funding on restoring our beautiful Edwardian windows to their former glory as they were in a very poor state of repair. It was also agreed that we should invest some money in Class 1, giving it a facelift with new resources to support the EYFS curriculum and furnishing it to make the room look more inviting. The children are really enjoying the new resources. Staff also worked incredibly hard to tidy and organise all the resources in school.

During the period of lockdown, families had an optional task of painting a pebble for school to remember the time when we weren't all able to be together. If you have done a pebble and would like to bring it into school, please bring it in and we will be arranging them in the garden. We will pop a photo in the newsletter when they are all in school and organised.

I hope you all have a lovely week in school.
