From Mrs Busari

This week we have some special PE sessions running tomorrow morning across the school. The school have invested in a new programme for teaching PE called REAL PE. Tomorrow one of their consultants is coming in to work with the children on this exciting new scheme. **Please could all children be in their PE kits so that they can take part.**

Last week we sent out the pupil data collection sheets which we have to do each year to check that the information that we hold for your child is accurate. If you could complete these and return them to school, we can ensure that all of our information is up to date. Thank you for your support with this.

We have started to show some prospective families around the school who are looking for a Reception place for September 2021. If you know of anyone who has a child who turns 4 before 31st August 2021, please let them know that we are currently arranging private 1:1 tours of the school, after school when the children have left for the day. This is in line with current restrictions and guidelines. Please ask them to ring or email the office to arrange a visit.

It is great to see so much home learning going on and being shared with staff through the Class Dojo portal. The teachers check the portal a couple of times each week and will also send messages from the class to keep you updated with what is going on in class. If anyone struggles to get these updates, please let us know so that we can support you in getting it up and running.

I hope you have a lovely week in school,
With best wishes

Jude Busari
