## From Mrs Busari

I hope you all found the parents' evening appointments informative and useful last week. Thank you all for your support and helping us to keep the appointments running to time. As always, if there is something you would like to discuss further with a member of staff, always get in touch and we can arrange this opportunity.

Unfortunately, Ashton CE Primary School had to close on Friday due to a confirmed case of Covid -19 amongst the children there. They have now moved to remote learning. I was not at Ashton last week as I was attending training so therefore, following the DfE advice, I don't need to isolate. Please continue to be vigilant for the symptoms and if your child is feeling unwell, keep them at home until they feel better.

We are starting to put plans in place for Christmas. I know the children really enjoy to write and send Christmas cards to each other. With the current guidelines, we are going to allow the children to still send cards but just to the children in their bubble. We usually send a list with their first names only of the children in the class on to help the children with writing their cards.

## Kingswood Christmas Dinner

Thursday 17<sup>th</sup> December

If you would like your child to receive a Christmas Dinner on this day - please book via their on-line account.

If you **do not** want your child's name on the list, please let us know by Friday 27th November. We will send the lists next Monday. Children can then get busy writing their cards and bring them into school to go in a box in their classroom by Friday 11th December. We will then give them out in the final week once we have quarantined them.

This week, I have more training to attend so will be at Cosgrove on Monday, Thursday and Friday. As always, staff are on hand if you have any questions or queries.

I hope you all have a lovely week in school,

Best Wishes,  
**Mrs Jude Busari**  
Headteacher
