From Mrs Busari

Welcome Back Everyone!

It was so lovely to see everyone coming in this morning. I hope the children really enjoy their first week back in school all together – I am sure they will be quite tired by the end of the week. This week we will be concentrating on settling the children back into their routines. I understand from talking to different parents that there are lots of mixed feelings about the return to school but hopefully once the familiar routines of school are re-established and the children get a chance to re-connect with their friends' things will go smoothly for them. Please let us know if you have any concerns or if there is anything we can help with.

Please remember to wear a mask when on the school site unless you are exempt.

Over last week the builders were in school, they managed to push forward the work that was scheduled for next week. This was great news as it was a lot easier to manage them on site with reduced numbers of children. We now have lovely new lights in the classrooms and some new suspended ceilings which Northamptonshire County Council have funded. It has really given the classrooms a lift.

Finally, I want to say a huge thank you. The children's engagement with their home learning on Class Dojo was excellent during the lockdown period and that is down to the wonderful support at home. We have received some lovely comments and feedback which are very much appreciated by the staff. It really was a whole school community effort, thank you!

Have a lovely first week back in school.

Best Wishes,

Mrs Jude Busari

Executive Head Teacher

Noses will be on sale in the school playground in the morning and after school from:

Wednesday 10th March
minimum donation of £1.50 per nose please.

Your red nose will be a surprise of one of the following characters:

Thank you
